National anthem 国歌

The Star-Spangled Banner

君が代

O say can you see,
by the dawn's early light,

君が代は

What so proudly we hailed
at the twilight's last gleaming,

千代に八千代に

Whose broad stripes and bright stars
through the perilous fight,

さざれ石の

O'er the ramparts we watched,
were so gallantly streaming?

いわおとなりて

And the rockets' red glare,
the bombs bursting in air,

苔のむすまで

Gave proof through the night
that our flag was still there;

O say does that star-spangled
banner yet wave

O'er the land of the free
and the home of the brave?
